

14th April 2011

**NOTICE TO ALL COMPANIES, GOVERNMENT DEPARTMENTS, BEE
VERIFICATION AGENCIES AND B-BBEE VERIFIED ORGANISATIONS**

Dear Stakeholders,

**The ABVA Inaugural National Convention is scheduled to take place in
Johannesburg on Wednesday the 01st of June 2011**

The ABVA Inaugural National Convention will take the form of breakaway groups with exciting practical BEE lessons from the BEE Verification Industry. One of the breakaway groups wishes to offer all organisations in South Africa an opportunity to showcase some of the BEE best practices they have implemented successfully in their organisations. We therefore welcome your organization's application to have a successful best practice presented at the National Convention. Best practices on all elements of the Scorecard are welcome. We hope to see you either as participants or delegates at the conference. The full programme and agenda will be circulated soon, so please set the date aside in your diaries.

Should you have any further queries, please do not hesitate to contact
skillsdevelopment@abva.co.za

We encourage you to circulate this notice to all like-minded organisations committed to the transformation of the South African economy.

Please respond with the following details:
