Social and community services finalists and winner

THE social and community services sector includes health and service activities, promotion activities as well as public and private education of all types. The finalists in this category are Ikhayelihle Cleaning Services, EtheKwini Hospital and Heart Centre and the University of KwaZulu-Natal Graduate School of Business.

Ikhayelihle Cleaning Services

Ikhayelihle Cleaning Services offers a professional, holistic and competitively priced hygiene and environmental management services to industrial, commercial and government clients. Ikhayelihle Cleaning Services has created a number of new job opportunities in KwaZulu-Natal, especially for women. The company has invested substantially in preferential procurement, thus directly contributing to the economy of KZN.

EtheKwini Hospital and Heart Centre

EtheKwini Hospital and Heart Centre is an independent, black-owned hospital offering a complete spectrum of medical and surgical services.

The state-of-the-art hospital works towards the twin goals of superior health care and maximum operational efficiency. This hospital is the first privately owned digitally integrated hospital in South Africa.

WINNER: UKZN Graduate School of Business

The UKZN Graduate School of Business is a provider of quality business education to business leaders, managers and entrepreneurs.

The skills learnt are transferred to the workplace, which enhances the economic performance of KZN organisations. In addition, skilling entrepreneurs ensures that a greater contribution is made to the KwaZulu-Natal economy.

Are you up for a challenge?

Research by staff and students at the University of KwaZulu-Natal Graduate School of Business has shown that people seek promotion because they want new challenges and more responsibility.

Our business school prepares ambitious people to take up new challenges and to handle more responsibility.

If you are seeking new challenges, we invite you to join our MBA and MDP programmes.

MBA - Master in Business Administration

The MBA is a 3 year part-time programme aimed at developing senior managers.
