Construction finalists and winners

Vivian Reddy and the Edison Power Group scooped the construction sector award. On stage with Reddy are (from left) Grant Adlam, Lalita Ventura, Elizabeth Maepa (CEO FNB Public Sector Banking) and Michael Mabuyakhulu (KZN MEC for Economic Development and Tourism).

THE finalists in the construction sector – which includes site preparation, building and civil engineering – are Elma Engineering Services and the Edison Power Group.

Elma Engineering Services

Elma Engineering Services is a proud contributor to the economic growth and stability of KwaZulu-Natal. Following a period of growth, it has expanded to provide a range of engineering services to industries across South Africa.

WINNER: Edison Power Group

The Edison Power Group plays a leading role in the construction industry as an electrical contractor specialising in commercial electrification, reticulation and industrial projects.

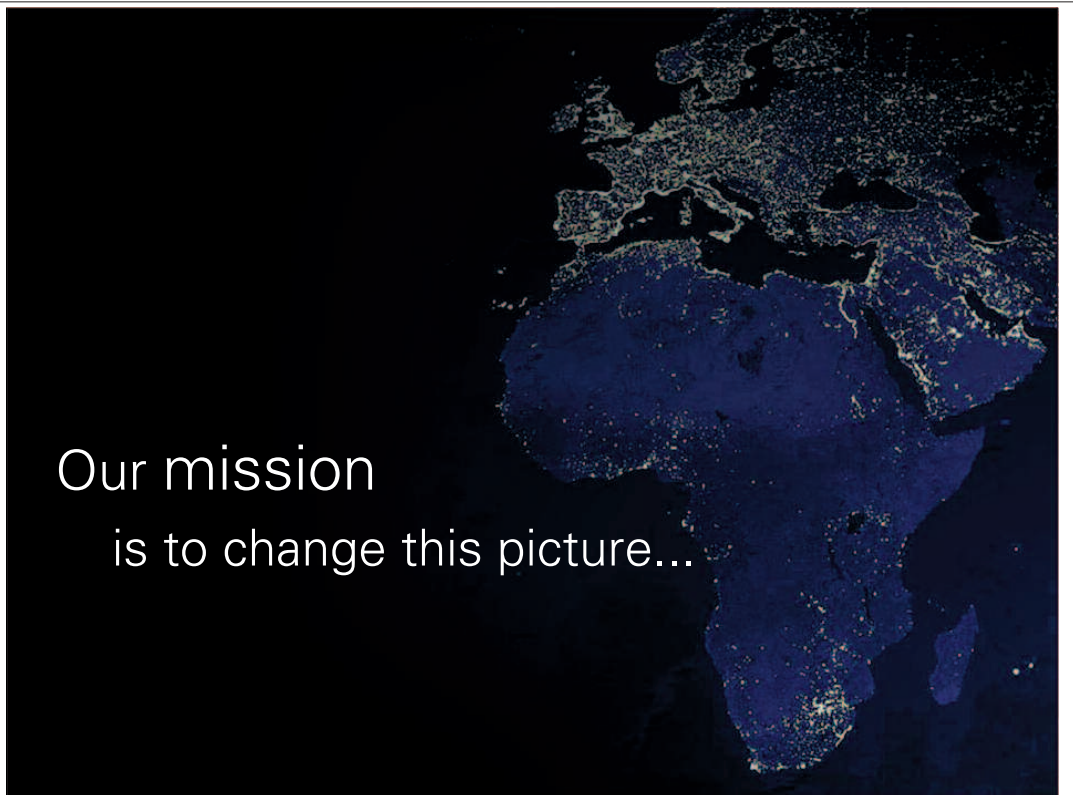

The group provides a trusted and reliable service, and has been involved in almost every major construction project in KwaZulu-Natal over the past four years.
