**Tourism finalists and winner**

IN light of the large contribution made by the tourism industry to the KZN economy, a special tourism category was created to recognise and reward the movers and shakers in this sector. The finalists are Sibaya Casino & Entertainment Kingdom, Suncoast Casino and Ezemvelo KZN Wildlife.

**Sibaya Casino & Entertainment Kingdom**

The immensely successful Sibaya Casino & Entertainment Kingdom is located in one of the most magnificent settings on the KwaZulu-Natal north coast. As one of the major developments in this area, Sibaya has been able to contribute on a very real level to encouraging future investment in the area – and indeed creating 1600 permanent jobs.

**Suncoast Casino**

Suncoast Casino is one of South Africa's prime tourist destinations, attracting on average 750 000 visitors per month. With a total investment of R1.4 billion, Suncoast Casino represents the largest single investment on Durban's beachfront. Along with the International Convention Centre and uShaka Marine World, Suncoast forms part of the "Golden Triangle", and is a key element in the rejuvenation of the Golden Mile.

**WINNER: Ezemvelo KZN Wildlife**

Ezemvelo KZN Wildlife is the leader in the field of biodiversity conservation and eco-tourism in KZN. The formal custodian of protected areas in the province of KwaZulu-Natal, it is responsible for 28% of the coastline and 8.36% of the total land area.

Ezemvelo fields one of the largest community outreach programmes of any conservation body in Africa.

To date, it has ploughed more than R80 million through its community levy fund into growing the economy of KZN through job creation, building schools, crèches, community gardens and rural development.

View the 'Big 5' in our world-class game reserves, enjoy breathtaking scenery on a Drakensberg hike or explore the sparkling Indian ocean that hugs the KZN coastline.
