CIRCULAR TO ALL DISTRICT MUNICIPAL MANAGERS

KWAZULU-NATAL TOP BUSINESS PORTFOLIO 2011

The KwaZulu-Natal Top Business Portfolio provides comprehensive marketing tools to promote the province. The excellent written material, interactive multimedia DVD and much visited comprehensive website, makes information available to the corporate, municipal and government sectors in South Africa and abroad.

The KwaZulu-Natal Department of Co-operative Governance and Traditional Affairs believes that the Portfolio promotes the province as a sound business platform and investment destination as well as a potential trading partner to both the local and international investor markets. This aspect is of great value to all municipalities in the province.

As experience has shown, a publication of this nature can lead to increased awareness of a region and its potential business opportunities.

This circular serves to inform that the Department of Co-operative Governance and Traditional Affairs supports this KwaZulu-Natal Top Business Portfolio 2011

Yours sincerely

Mr F Brooks

Acting Head of Department
