

Bridging the gap between project promoters and funders

KZN Funding Fair – April 2014

The inaugural KZN Funding Fair, an exciting public/private partnership between Deloitte KZN, the KZN Provincial Treasury and the Department of Economic Development & Tourism, saw more than R300 million of funding secured for corporate development projects across various industries in 2013.

The annual KZN Funding Fair, scheduled to take place in April 2014, will allow entrepreneurs and project promoters to:

- hear valuable insights into how to prepare for and present project pitches to funders through educational presentations
- interact one-on-one with various project funders.

Selected entrepreneurs and project promoters will be given the unique opportunity to pitch their projects to a group of funders.
