

This forum will cover:

- The role of the committee
- Practical Inputs and ways of making a difference
- Improving UIPs and CPFs to benefit business and the community

Join us as we chart a way forward in the Durban Chamber's fight against Crime and Grime in our City. This will be achieved by improving the efficiency and effectiveness of the enforcement of municipal laws and by-laws; full coverage of the City's geographical space through visibility, timely responses and decisiveness from enforcement agencies; engagement of 'zero tolerance' policing strategies; and the mobilisation of community support alongside the instilling of trust in the capabilities and integrity of enforcement agencies.

**Friday, 26 June | 09:00 - 11:00**
