Dear Colleague,

Emergence Growth together with our partners Institute of Leadership and Management (ILM); are proud to launch our Africa leadership survey.

The objective of this survey is to benchmark leadership practices across sectors and countries on the African continent. The end result is to better understand the challenges leaders face and to enable organisations to benchmark and improve leadership capability.

Should you participate in the survey you will receive a report covering the following:

- Leadership Challenges
- Leadership Styles
- How leaders are motivated
- How leaders motivate employees to perform
- Personal Development
- Subordinate Development

CONFIDENTIALITY GUARANTEE

Due to the sensitive nature of the information to be disclosed in this survey, under no circumstances would any individual information or any company specific information be disclosed to any other participant, other than for the purposes of providing aggregated data in the report. If required Emergence Growth would be happy to sign a non-disclosure agreement to this effect.

Cost: There is NO COST to participate in the survey. To participate, please
