Margaret's story is one that will fire up hope in any woman who feels the odds are stacked against her. She provides a compelling example of the never-say-die attitude found in many of the world's great entrepreneurs who have risen against all the odds to achieve great things. Her self-belief, tenacity, resilience and seemingly endless capacity to empower the people around her are remarkable qualities. Add to this her down to earth family values, work ethic, and sheer chutzpah and you have a great role-model for all aspiring women entrepreneurs. --- Melanie Hawken, LoA founder & editor-in-chief.
